

SAP FIELDGLASS PRESIDENT ROB BRIMM RECEIVES STEVIE AWARDS 'MAVERICK OF THE YEAR' HONOR

Bronze Winner Recognized for Leadership Excellence, Company Success

CHICAGO – May 16, 2016 – [SAP Fieldglass](#), the global cloud technology leader in services procurement and external workforce management, today announced that President Rob Brimm has been recognized as a Bronze winner of a Stevie® Award in the Maverick of the Year category in The 14th Annual American Business Awards (ABA).

The American Business Awards are open to all organizations operating in the U.S. – public and private, for-profit and non-profit, large and small. The ABA received more than 3,400 entries for a wide range of categories, including Startup of the Year, Executive of the Year, Best New Product or Service of the Year and App of the Year. The Maverick of the Year award honors executives for the creativity and ingenuity they use to drive growth in their organizations.

“This award validates the ‘maverick approach’ SAP Fieldglass takes as a team,” Brimm said. “Our whole organization – from sales to implementation to account services – dedicates itself to providing the best technology for services procurement and external workforce management in the business. We are proud of what we’ve built here, and we’re looking forward to a very bright future.”

Brimm joined SAP Fieldglass in 2004 to oversee and grow the sales organization, and has been a key stakeholder in the company’s growth during his tenure. Promoted to company president in 2015, Brimm helped drive SAP Fieldglass from a promising tech start-up to a global, leading Vendor Management System (VMS) provider. In his time with the company, SAP Fieldglass’ sales have grown by 1,200 percent, its customer base has grown six-fold and its technology solution is used to manage workers in more than 110 countries.

Nicknamed the Stevies for the Greek word meaning “crowned,” the American Business Awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Monday, June 20. [Tickets are now on sale.](#)

“The judges were extremely impressed with the quality of entries we received this year. The competition was intense and every organization that has won should be proud,” said Michael Gallagher, president and founder of the Stevie Awards.

Details about The American Business Awards and the list of 2016 Stevie winners is available at www.StevieAwards.com/ABA.

ABOUT SAP FIELDGLASS

SAP Fieldglass provides the industry’s leading technology for services procurement and external workforce management. More than 400 of the top global businesses leverage SAP Fieldglass’ intuitive, cloud-based services solution to gain visibility into its external labor, project-based services including Statements of Work (SOW), independent contractors and additional flexible talent pools.

The SAP Fieldglass Vendor Management System (VMS) is used by organizations across all industries and geographies to achieve total workforce visibility and ultimately maximize cost savings, worker quality, compliance and program efficiencies. Procurement and HR professionals from companies

including GlaxoSmithKline, Johnson & Johnson, Monsanto and Rio Tinto partner with SAP Fieldglass to develop sophisticated talent and spend management strategies necessary to create best-in-class workforce programs. For more information, visit www.fieldglass.com.

About the Stevie Awards

Stevie Awards are conferred in seven programs: the Asia-Pacific Stevie Awards, the German Stevie Awards, The American Business Awards, The International Business Awards, the Stevie Awards for Women in Business, the Stevie Awards for Great Employers, and the Stevie Awards for Sales & Customer Service. Stevie Awards competitions receive more than 10,000 entries each year from organizations in more than 60 nations. Honoring organizations of all types and sizes and the people behind them, the Stevies recognize outstanding performances in the workplace worldwide.
